

Coffee and Ghosts 1: Must Love Ghosts Katy and her grandmother have always used coffee to catch ghosts. It pays the bills and keeps them in high-end beans. But after her grandmother dies and a rival ghost hunter moves to town, Katy fears things will never be the same. She's right. From a beguiling and charismatic ghost whisperer to her new partner's ghost swallowing brother and even a (short) stint behind bars, Katy navigates her new reality, uncertain her skills are equal to the tasks at hand. But are these things mere distractions--or do they hide something darker, far more sinister, something that has a long-held vendetta against Katy? To survive, Katy must uncover an ancient secret. She must brew her very best Kona blend. She will need to rely on unexpected and unpredictable allies. To survive, she will need to trust what's in her heart.
